

## African Summit on **ROLL BACK MALARIA**

**Abuja, Nigeria – 24 & 25 April 2000**

- Malaria causes more than one million deaths each year.
- The majority of people who die are in Africa.
- Malaria keeps Africa's people poor.
- It does not have to be like this.
- Malaria is preventable, treatable and curable.
- Africa's leaders are calling for concerted action on malaria.

**Roll Back Malaria – Roll in Development**
