

**WARN Meeting Draft Agenda
Dakar, SENEGAL
February 22-24th, 2006**

RBM Partners with presence in West Africa will meet in Dakar, 22-24 February 2006 for their regular annual planning and review meeting. A main item will be the development of a workplan accountably engaging partners in providing countries support to resolve obstacles in GFATM grant implementation. A large number of countries is currently falling behind in achieving the required milestones and are at risk of not qualifying for further disbursements.
