Team composition

Peter Mbabazi- EARN Coordinator

People met

Mr Abdoul Malik Mohamed-UNICEF, Mr Abdallah Fed Poudouf-PNLP, Abdillah Omar Bourner-PNLP, Dr Djibaoli Karim-WHO, Dr.Tharcisse Barihuta-ONUSIDA, Ms Hawa Hassan – PNLP, Mr Hassan Brut-ADDEF, Ms. Kadra Hassan-ADDEF, Mr. Mohamed-ADDEF, Mr Mahdi Abdalillah Mouse-Executive Director CTILSP/PR, Ms Fathia Alwan-IGAD, by Teleconference Dr Zoiten Ahamed –FPM GF.

Major issues

1. Round 6 phase 2 Signature

It was established that GF round 6 phase 2 could not be signed because the new FPM was not fully updated on the clarifications, the teleconference brought the following to bear;

- It was clarified that the malaria grant had been given a conditional Go with issues for action. The programme had addressed all the issues and submitted to GF secretariat which did not respond. It was identified that the FPM was not updated on the current issues of the grant.

2. Roadmap

Djibouti had not attended the Windhoek meeting where other countries were initiated to develop the roadmap, there was need to develop one in country.

3. RBM country partnership

As the programme had missed attending the Windhoek meeting, and the programme had changed management with new staff joining, the EARN coordinator presented historical background of RBM and EARN and the need for a strong RBM in country partnership under 3 ones.
4. MIS Report

The MIS report for 2007 was out and is a good reference point, however it was noted that the consultant was Anglophone and produced the report in English. The programme needs it translated so that it can be widely read.

5. Funding

It was realised that there are funding gaps in the Road map even if Round 9 is successful; however, the programme was advised to ignore Round 9 for 2010 targets as the funds will not be in the country then.

6. IGAD

**IGAD endemic countries representation on the RBM board**

The current representatives Ethiopia and Uganda term will expire in the next December meeting. It was suggested that since the next IGAD Health ministers meeting will be in January, it was prudent to have an e-election of health ministers to represent IGAD.

*Need for the IGAD Malaria strategic plan.*

On this it was resolved that the IGAD secretariat will initiate a letter of request to EARN for the consultancy to support them develop the IGAD Malaria Strategic Plan.

**Way Forward**

**Round 6 phase 2 Signature**

- It was resolved that the Fund portfolio Manager meets the local funding agent in the next day and get updated information, before he can suggest the way forward by 7th October 2009
- Meeting the LFA financial advisor, it was resolved that he seeks a go ahead to verify the budget and report to GF as soon as possible
- In the mean time the programme shall make the disbursement request ready to avoid further delays

**RBM country Partnership**

- It was agreed that the programme should initiate and support the functioning of a robust in country RBM partnership.

**MIS**

- A request will be sent to EARN coordinator for Translating the MIS Report. See attached Report.
Funding

- It was agreed that the programme should initiate fundraising campaigns targeting Government, Bilateral and multilateral partners, Private sector and the public.

- The request for the TA for the formulation of IGAD Malaria Strategic Plan and this letter will be ready by end of the week.

IGAD

- The Executive secretary of IGAD need to circulate the letter to all ministers and request for an e-vote, to cater for geographical representation possible candidates were Kenya in the south and Djibouti in the north.

- RBM secretariat to send a letter of introduction to IGAD Executive secretary.
